APPLICATION TO JOIN THE ILLINOIS PTA LEGISLATIVE NETWORK

The Illinois PTA maintains a **Legislative Network** of e-mail participants who receive regular information on state and federal issues designed specifically to address how these legislative initiatives will impact Illinois. This includes:

- regular updates of the Illinois PTA bill list--a compilation of legislative activity in Springfield which the Illinois PTA is monitoring;
- a roster of the current members of the Illinois General Assembly as well as the federal delegation--names, addresses and contact information;
- calls to action asking for support or opposition to legislation based on our Legislation Platform--also known fondly as "The Green Book."

While much of the information may also be found on the Illinois PTA website at www.illinoispta.org, being part of the Legislative Network delivers these pieces right to your own mailbox!

This is another "member benefit" offered to PTAs allowing you to be an active participant in our efforts for all children from the comfort of your own home. We will never share your contact information with **any** outside organization nor sell your information--your enrollment will be used strictly for Illinois PTA updates.

Becoming part of the Network is really simple--just submit the application below to the Illinois PTA state office either electronically or by mail. Members who have already submitted contact information are already receiving regular updates and communications but many of our local units and councils are not represented on the network. We want you to have every opportunity to be part of an active legislative network. If you are currently receiving network communications, you need not apply again.

Completed applications may be e-mailed to the state office at: ilpta@ameritech.net or mailed to:
